RE: Circuit City Bankruptcy Action

Dear Clerk,

I am inquiring about the bankruptcy/liquidation action filed by Circuit City Stores, Inc., which I believe may have been filed in your court. I have a \$150 REBATE CHECK that is in 'hold' due to their bankruptcy, and their legal counsel refuses to respond.

Therefore I have no choice but to TRACK DOWN which court their filing is in, and put in an official claim in their action. Thus, could you please provide me the actual case information: CASE NAME, CASE NUMBER, etc., along with their attorney contact information.

I could also use any claim forms to file so I can finally receive a newly re-issued REBATE CHECK.

If the matter is not in your court, could you please try and track it down so I can file in the appropriate court. I am a "state prison" inmate of California and have no way to do a computer search.

Thank you,
